Dear Dott. Rissone,

Obiettivo far Salute
Torre Pellice, 29-30 January 1988

We have been informed of your above-mentioned meeting to take place in Italy early next year.

You may have heard of the Ottawa Charter on Health Promotion, and I am enclosing a copy for your information. This Charter has also been translated into Italian, and I am also enclosing a copy which you may like to make available to the participants at your January meeting - perhaps you could even have it printed up along the lines of our English/French original.

Best wishes for a fruitful meeting.

Yours sincerely,

Ilona Kickbusch, Ph.D.,
Regional Officer for
Health Promotion
