Dear Dr Rissone,

Thank you for your letter of 15th September, inviting me to participate in the Seminar on "Informative Systems and Research in Mental Health Services" to be held in Turin on 15-16 June 1989.

I am pleased to accept this invitation in principle, pending confirmation at a later point in time. Please let me know what kind of contribution you would expect from me. I should also appreciate some information about the provisions concerning travel and local costs.

Yours sincerely,

Dr A. Jablensky
