Dear Dr Rissone,

I am not sure if it was made clear to you that neither I nor Dr Sartorius will be able to attend the Conference "Mental Health Services and Research" 15-16 June 1989 in Turin. I would suggest that you contact our Regional Office for Europe, World Health Organization, 8 Scherifsgvej, DK-2100 Copenhagen, Denmark, to ask for their participation.

Yours sincerely,

Dr J. Orley  
Senior Medical Officer  
Division of Mental Health
