5 December 1988

Dear Dr Rissone,

Thank you for your letter of 15 September 1988 inviting me to attend the International Conference "Mental Health Services and Research" in June 1989. I am afraid it will not be possible for me personally to attend, but I would wish to keep in contact with you in order to ensure that you receive any technical support from WHO that we can provide. I will be seeing Dr Saraceno in the near future and can discuss this matter with him also.

I would like to be kept informed of how the conference proceeds and wish you every success in its organization.

Yours sincerely,

Dr J. Orley
Senior Medical Officer
Division of Mental Health
