Dear Dr Rissone,

Thank you for your invitation for me to participate in the International Conference "Mental Health Services and Research", to be held in Turin, 15-16 June 1989.

Despite the interest of the initiative and relevance of the theme of the meeting, I regret to inform you that it will not be possible for me to attend the Conference as other commitments for the same dates have already been agreed.

I would like to take this opportunity to wish you and the organizers a very successful meeting and ask to receive a set of the documents produced or prepared during the meeting, if possible.

Yours sincerely,

Dr J.G. Sampaio Faria
Regional Officer for Mental Health
